I have the honor to submit the following statement of my military history, and request my discharge as 1st Sergt. Co. (C), First Regt. of Ky. Cavalry Vols., to enable me to be mustered into the U. S. service, by virtue of a Commission tendered me by the Governor of the State of Kentucky.

I enlisted in Co. (C) 1st Regt. of Ky. Cav. Vols., on the 20 of October, 1861, and was mustered into the U. S. service, as an enlisted man, on the 25th day of October, 1861, by Capt. Asst. Q. M. Thomas U.S.A., and served as such until the 10th day of March, 1862, when I was commissioned by the Governor of Kentucky, as Second Lieut., Co. (C) 1st Regt. of Cavalry Vols., which Commission was received

and accepted by me on the 10th day of March 1862.

I entered upon duty, by virtue of said Commission, on the 10th day of March, 1862, a vacancy then actually existing in said grade, caused by the [illegible] of [illegible]; at which time the strength of the Company was, in officers, 2; enlisted men, 54. It now has 1 officers, and 52 enlisted men.

I was last mustered for pay, as an enlisted man, to include the 31 day of [illegible], 1861, and last paid as such to include the 31 day of [illegible], 1861.

*(I was again commissioned by the Governor of [illegible], on the 17 day of [illegible], 1861, as Captain Co. (A) 1st [illegible] Regt. of [illegible] Vols., which Commission was received and accepted by me on the 16 day of [illegible], 1862. I entered on duty, by virtue of said Commission, on the 16 day of [illegible], 1862; a vacancy then actually existing in said grade, caused by the [illegible] of [illegible]; at which time the strength of the Company was, in officers, [illegible]; enlisted men, [illegible].

I was last paid as a commissioned officer by Major [illegible] to include the [illegible] day of [illegible], 1863.)

The reasons why I have not been discharged and mustered at an earlier date are as follows:

I made no application that I recollect, but have always been ready & willing to accept an opportunity.

Very Respectfully,

Your obedient servant,

James F Sankey

Sergt Co. (C) 1st Regt. Ky Cav, Vols.

I, [illegible] Adams Col., Commanding the 1st Regt. of Ky Cavalry Vols., do certify, on honor, that the statement above made by Sergt. Sankey is correct.

L Adams

Col Commanding 1st Regt. of Ky Cav., Vols.

STATE OF Kentucky TOWN OF Somerset

I, John Perkins born in Germany in the State of Germany aged twenty years, and by occupation a painter Do HEREBY ACKNOWLEDGE to have volunteered this tenth day of June 1863, to serve as a **Soldier** in the Army of the United States of America, for the period of *THREE YEARS*, unless sooner discharged by proper authority: Do also agree to accept such bounty, pay, rations, and clothing, as are, or may be, established by law for volunteers. And I, John Perkins do solemnly swear, that I will bear true faith and allegiance to the ***United States of America***, and that I will serve them honestly and faithfully against all their enemies or opposers whomsoever; and that I will observe and obey the orders of the President of the United States, and the orders of the officers appointed over me, according to the Rules and Articles of War.

Sworn and subscribed to, at this 10th day of June 1863. BEFORE S. G. Freeman Lieut 12th Ky Vol Inft

John Perkins

I CERTIFY, ON HONOR, That I have carefully examined the above named Volunteer, agreeably to the General Regulations of the Army, and that in my opinion he is free from all bodily defects and mental infirmity, which would, in any way, disqualify him from performing the duties of a soldier.

E. Cummins M.D.

EXAMINING SURGEON.

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer, John Perkins previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting service. This soldier has blue eyes, light hair, fair complexion, is 5 feet 7½ inches high.

REMARKS.

Oct 1st 1864 - 15 55

NOTES.

1. The amount of any extra pay for which the soldier may be mustered, as *of* as *Acting Hospital Steward* as *Saddler, &c.*, and which may be *still due* him, must be carefully noted.
2. In the column headed "BOUNTY PAID," must be entered the *whole* amount *hitherto paid* him, in that of "BOUNTY DUE," the *whole* amount yet *due* him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
3. Stoppages for *loss or damage done to arms*, or other *public property*, must be noted, and the *articles*, and *particular damage* for each, specified. When stoppages are due, under sentence of a Court-Martial, a *transcript of the same* must be entered here; and the amount *already stopped*, must be *carefully* stated.
4. In *every case of desertion*, the *date*, and that of *delivery*, or *apprehension*, must be given, together with a correct description of the *offender's person or person*.
5. *A careful settlement of the man's* CLOTHING ACCOUNT *must be made, to date, and the amount DUE TO, or FROM him must be precisely stated.*
6. Should the man have been engaged in any *action or affair*, it must be mentioned, together with *date and place. A full and particular account* will be made of any *wounds* he may have received in action or *other injury, whilst in the line of his duty.*
7. If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
8. When a soldier is furnished with final statements by descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to complete a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster-roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster-rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that the descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury.
9. Where a soldier dies in Hospital, or in the discharge of service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.
10. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. Their pay commences on the day they report for duty under their summons from the Provost Marshal, which date should be noted on the first Muster Roll, under the heading of "Remarks." On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted* or *substitute*, as the case may be, and under the heading "When Mustered in" will be given the date when the soldier was drafted, or if a substitute, when enlisted, (substitutes, under the Enrollment Act, are considered in by enlistment,) under "Where Mustered in," will be given the place from which drafted, or if a substitute, where enlisted; under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus, *4th D. Mass.*, (meaning 4th Enrollment District, State of Massachusetts). Or if a substitute, the name of the officer mustering him. When enlisted by Board of Enrollment, the name of the Provost Marshal of the Enrollment District.
11. A separate descriptive list should, as a general rule, be given for each man.
12. Descriptive lists should, in all cases, be signed by COMMISSIONED officers; those of enlisted men always so signed.

ARTICLES OF WAR

ART. 93. When any non-commissioned officer or soldier shall die or be killed in the service of the United States, the commanding officer of the regiment, corps, or detachment in which he served shall forthwith make up an account of the pay and clothing due to the deceased, and transmit the same, duly certified, to the Department of War; and the effects of the deceased shall be secured for the benefit of the representatives of the deceased. And the money due him on account of pay, or arrears of pay, shall be paid or delivered to his widow, children, or representatives, or applied to the discharge of any just demand against the deceased, in the same manner as effects taken from the enemy are directed to be applied by the law of nations. And if any non-commissioned officer or soldier shall desert, or die before he can be regularly discharged, all pay and clothing due to him shall be stopped for the benefit of the public, unless he shall have left lawful representatives, or unless the same shall be claimed by his widow, children, or representatives, or by persons having a right by law to demand the same; and no non-commissioned officer or soldier shall be entitled to receive pay for any time during which he may have been absent from his company, without leave, unless he shall, within six months after rejoining his company, make it appear to the commanding officer thereof, or to the proper accounting officers of the Treasury, that he was sick or unable to join his company within the time prescribed, or was a prisoner with the enemy, or was kept from his company by unavoidable necessity, or was on command by order of the President of the United States, or of the Secretary of War, or of the commanding officer of the army, or of a regimental or other commander; and in every such case he shall receive pay proportioned to the time he shall have been present with his company, and no more. And all moneys which shall be retained from deserters, or which shall be due to persons who shall not appear within the time limited by this article, shall be paid to the widows and children of such deceased officers and soldiers, if any there be, for the space of one year after the same shall be demanded by them. And the commanding officer of every regiment, troop, or company, or in case of his death or absence, the next officer in command, shall, as soon as may be after the death of any officer, non-commissioned officer, or soldier belonging to his regiment, troop, or company, secure all the effects which shall be left by him, and shall, in the presence of two other commissioned officers, take an inventory thereof, which he shall transmit to the office of the Department of War, in order that the same may be accounted for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 152. Inventories of the effects of deceased non-commissioned officers and soldiers required by the 93d Article of War will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station, absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged a report of his death, specifying the date, place, and cause, to what time he was last paid and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186–." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

PAR. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the —— day of ———, 186–."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.
